Scarborough Harbour

On entering Scarborough Harbour continue past the 1st set of fingers and turn to Starboard. The fingers to port are the M.B.B.C. berths and for Pontoons 3, 2 or 1 continue right to the shore and turn to Port. A map of the berthing fingers & pontoons will be supplied at the sign-on showing where you are to tie-up for Saturday Night. Those rafting up on pontoons 1, 2 or 3 outside the clubhouse and immediately to the West are asked to use common sense and have the larger boats near the pontoons and the smaller to the outside.
