Camp site information

- All drive-on sites need to collect their grey water and dispose of it in the dump points.
- If any part of vehicle is used for camping, a designated site must be used.
- Dump points for grey and black waste water are located at Lumley Hill Campground near the amenities block. There is no dump point for portaloos, motor home or caravan toilets at Somerset Park Campground or Captain Logan Campground.

Captain Logan Camp

- Camp sites are approx 7m wide and 10m long
- Sites 31, 36 and 37 can take up to 17' caravans
- Sites 41, 43 and 44 are suitable for camper trailers only
- Sites 42-57 get morning sun and have deep water for boats
- Site 49 is shady, close to the water and amenities

Lumley Hill

- Powered sites 29 and 30 are best suited to camper trailers
- Powered site 34 is best for long vehicles e.g. 30 foot
- Concrete slab on powered sites are approx 6m long x 2.5m wide (for the annex) and a little wider and longer where the vans park. Approx 10m between these sites
